**Annual Report 2022 Launch: CEO Mehboob ul Haq and BOD Vice Chairman General (Retd.) Anees Abbasi, along with HDF Head Office Staff, proudly giving a thumbs-up.**

# HDF & Pakistan Environment Trust (PET)

## Sign an MoU

13 September 2023: HDF and Pakistan Environment Trust (PET) sign a Memorandum of Understanding (MoU) for collective efforts in creating a greener, more sustainable Pakistan. The partnership will promote environmental initiatives that include carbon sequestration, reforestation projects and active community engagement. Together, we're stepping forward to bring a sustainable difference in our environment and local communities.

Sept 13, 2023: HDF & PET Sign MoU for a Greener Pakistan.

## HDF AND BRIGHT STAR DISPATCH A MOBILE LIBRARY AT HDF SECONDARY SCHOOL, KALYAH, ISLAMABAD

In a joint initiative between HDF and Bright Star, a Mobile Library was recently deployed to HDF Secondary School, Kalyah, Islamabad. With a range of captivating activities, including storytelling sessions and immersive book readings, all tailored for primary-grade students, we're committed to nurturing a vibrant reading culture.

Together, we embark on this journey to provide the future generations of Pakistani students with the gift of knowledge and information, paving the way for a brighter tomorrow!

# REHABILITATION OF 2022 FLOOD AFFECTED COMMUNITIES

The catastrophic floods of 2022 displaced 33 million individuals in the regions of Sindh, Balochistan and South Punjab. The disaster had a devastating impact, leaving communities without shelter, food, and livelihoods. In response to this crisis, HDF sprang into action, providing critical emergency relief aid. Additionally, HDF undertook the vital initiative of rehabilitating these displaced communities

*A Grateful Beneficiary in 'APPNA Basti,' Rajanpur, Rejoicing in His Reconstructed Home with Solar Power*

## 📍 APPNA Basti in Rajanpur

HDF and APPNA (Association of Pakistani Physicians of North America) collaborated to create a sustainable community for the flood-affected families in Rajanpur, known as 'APPNA Basti'. Through ongoing efforts, 21 houses have been constructed and equipped with solar panels, ensuring a safe home and sustainable electricity for the community in Rojhan Mazari, Rajanpur.

## 📍 Meer Deenar Khan Brohi, Jacobabad

The completion of 31 houses in Village Meer Deenar Khan Brohi, Jacobabad provides not only shelter but also a renewed sense of security and stability for the flood-affected population. Families that were once displaced and living in temporary shelters can now look forward to a brighter future with a place, they can call home.

*Homecoming Joy: A Family of 8 Finds Security and Hope in Their Reconstructed House in Jacobabad.*

## 📍 Maula Bux Brohi, Khairwah, Jacobabad

HDF is undertaking an admirable initiative by constructing homes for the displaced communities residing in the small village of Maula Bux Brohi, Jacobabad. As part of our commitment to community engagement, we have been actively organizing meetings with the local residents to empower them for a sustainable future.

Through this project, HDF intends to offer solarized homes to these displaced families and ensure their livelihood and food security by providing them with livestock. This comprehensive approach will uplift the quality of life for these communities and support them in achieving long-term stability and self-sufficiency.

*Empowering Jacobabad's Displaced Communities with HDF's Housing and Livelihood Project.*

## HDF Extends a Warm Welcome to Its Patron, Mr. Yousif Hyder Shaikh

Mr. Yousif Hyder Shaikh, Chief Commissioner of Inland Revenue Service, Islamabad graciously accepts the role of Patron of HDF!

We extend our heartfelt gratitude to Mr. Shaikh for his unwavering support in HDF's mission to serve the community. His commitment to making a positive impact on society alongside HDF is truly inspiring. Thank you, Mr. Shaikh, for being a beacon of change.

*A Gesture of Appreciation: Mr. Yousif Hyder Shaikh Assumes Patron Role in HDF.*

## Live Virtual Event Showcasing HDF'S Education Program

*HDF Virtual Event Showcasing Impactful Student Stories from Rahim Yar Khan.*

HDF held a Virtual Event, live from our Rahim Yar Khan region, dedicated to showcasing to our donors the accomplishments of our education program. We exhibited the exceptional qualities that set HDF schools apart, shed light on the challenges our students have overcome and offered a glimpse into what success looks like for our kids. Live interviews from our Voices of Impact: the extraordinary students Malaika, Sana, and Shehar from HDF school in the small village of Rahim Yar Khan, allowed our audience to hear about HDF's impact in the lives of our young generations directly from themselves.

## School Reconstruction in Meer Deenar Khan Brohi, Jacobabad

HDF is rebuilding a Govt. Boys Primary School in Village Meer Deenar Khan Brohi, Jacobabad.

The school stood abandoned for too long, its walls and roof cracked and washrooms unusable, extensive damage inflicted by the devastating floods of 2022. The school was shut down as it was deemed unsafe for the students, which deprived them of their basic right to education. HDF has undertaken the responsibility to bring these boys back to school and provide them with an opportunity to build themselves a prosperous future again!

We are on a mission to revive hope and education for our young generation.

## HDF Disburses THANKS Scholarships to Orphans at SOS Children's Village, Lahore

At HDF, we believe in the power of education to change lives!

HDF disbursed its THANKS Scholarship at SOS Children's Village, Lahore. 18 exceptional orphaned students who are also position holders received the necessary support to further their education with ease.

These young minds are our future, and HDF continues to empower their dreams.

*Empowering Futures: HDF THANKS Scholarship Ceremony at SOS Children's Village, Lahore.*

## HDF SPONSORS YOUTH TRAININGS AND OVERSEAS EMPLOYMENT OPPORTUNITIES AT NLC ATIN'S

Human Development Foundation - HDF and NLC's Applied Technical and Vocational Training Institutes (ATINS) are on a mission to empower unemployed youth and combat issues like the Youth Bulge, High Unemployment, Illegal Migration/Human Smuggling and Poverty in Pakistan. We are offering end-to-end solution from providing technical/vocational skills trainings to employment opportunities.

Discover one of HDF's bright, sponsored students at NLC ATIN's:

Muhammad Husnain found himself in dire financial circumstances following his father's passing. With his family entirely dependent on his uncle's support, the burden was substantial. Recognizing his potential, HDF stepped in and sponsored his 3-month Excavator Operator Course at ATINS Mandra. This sponsorship not only equipped Muhammad with valuable skills but also opened doors to local and global employment opportunities.

In regions like the UAE, where there is a high demand for heavy equipment operators, Muhammad can now earn a monthly income ranging from AED 39,000 to AED 46,000. Thanks to HDF's unwavering support, young individuals like Muhammad are breaking free from the shackles of unemployment and poverty, securing a brighter future not only for themselves but also for Pakistan.

# Soon Valley Updates

## TRACK CONSTRUCTION LEADING TO AF AF DAM

HDF was instrumental in making the Afaf Dam a reality, ushering in prosperity and more effective water resource management for the Soon Valley community. Now, we have successfully empowered the local community to take charge of a vital road development project leading to the dam. They have independently funded the construction of a 1.5 km track from the dam to Jhalar Moor, under the leadership of President VDO Retired Head Master M. Khair Muhammad. This noteworthy project was completed on September 10, 2023, and promises to improve access to the dam for both locals and tourists alike. With a significant reduction in distance by 20 km, this newly accessible track is now open for cars and bikes, attracting tourists and delivering substantial benefits to the local population.

Soon Valley's New Access Road to Afaf Dam Under Construction

HDF commends the community for its self-initiative and is honored to have played a pivotal role in their journey towards progress.

## WORK IN PROGRESS AT HEALTH CENTER, NOWSHERA

Soil Testing and Boring for Nowshera Healthcare Center.

Significant milestones have been achieved in the construction of the healthcare center in Nowshera, showcasing our commitment to enhancing healthcare accessibility in the region.

To ensure the suitability of the land for construction, we engaged the expertise of Myco Engineers for comprehensive soil testing. Their assessment is a pivotal part of our commitment to delivering a healthcare center that meets the highest standards of quality and safety.

The land has also been successfully bored, marking a crucial step towards the realization of this healthcare facility. This groundwork paves the way for the construction phase and signifies our dedication to this project's success.
